Hotel Pavillon Bastille

## A HOTEL WHERE YOU FEEL AT HOME

Located in a beautiful building in the 12th arrondissement of Paris, the Hotel Pavillon Bastille is a place of charm and comfort that will fully satisfy you, whether you are staying in the capital for tourism or for work.

Come and discover the many assets of this 3-star establishment with 25 rooms, located 150 metres from the Place de la Bastille. Its pretty terrace, full of flowers and trees, is ideal for breakfasts in the sun and breaks in the shade. In an elegant decor, both sober and warm, you will enjoy a wide range of services, numerous facilities (including free WIFI) and the assistance of a smiling and available team.

## STAY IN THE HEART OF THE BASTILLE DISTRICT

The Hotel Pavillon Bastille enjoys an exceptional location in one of the liveliest and most pleasant districts of the capital, but also one of the few where shops are open on Sundays.

Located opposite the Bastille Opera and only 8 minutes walk from the Gare de Lyon, the hotel is very well served by the metro (lines 1, 5 and 8) as well as by the city buses

(21/29/97/87). It therefore offers direct access to the various Parisian stations and to numerous districts and monuments that cannot be ignored, some of which are only a few minutes' walk away. This is the case for the Marais (10 minutes), Notre-Dame de Paris Cathedral (15 minutes), Châtelet (20 minutes), Saint-Germain-des-Prés (25 minutes) and the Louvre (30 minutes). By metro, it will only take you 20 minutes to reach the Champs-Élysées or the Latin Quarter. If this central location is perfect for tourism, it is also suitable for business stays: the hotel is less than 30 minutes by metro from the La Défense district and the Porte de Versailles Exhibition Centre, and 50 minutes from the Villepinte Exhibition Centre.
