Book a hotel with free cancellation in Paris

A chic district, the 7th arrondissement of Paris is an ideal area to welcome the guests of the 4-star hotel Le Cadran. In this hotel with free cancellation in Paris, everything is designed and organized so that our guests can spend a dream stay in sumptuous rooms.

Stay in Paris with free cancellation

Imagine a Parisian establishment installed in a quiet pedestrian street. Every morning it opens onto numerous restaurants and bars with welcoming terraces. The Eiffel Tower is just a stone's throw away. Just like the Invalides, where the crypt in which Napoleon Bonaparte sleeps eternally was dug. The Champs-Élysées, the Louvre, the Petit and Grand Palais are also just a few minutes walk away.

In this part of Paris, museums are legion: Rodin Museum, the Louvre, of course, preceded by the Tuileries gardens, the Orsay Museum on the opposite bank of the Seine... And on this axis going from the Louvre to La Défense, you can admire the Place la Concorde, and at the end of the Champs, the Arc de Triomphe.

Moving around Paris in complete safety.

The Ecole Militaire and La Tour Maubourg metro stations are just a few minutes walk from the hotel. However, if you don't trust public transport, we have several solutions to offer you...

If you like the warm Parisian atmosphere, stay close to this charming area. You will find in the rue Cler delicatessens, pleasant shops, terraces open to the world ... You will be able to sip a drink, have a coffee or taste the delights of the local brasserie. Rue Cler is not a street, it is THE street. The street where all Parisians dream of strolling. Apart from the cafés, grocery stores, various shops and restaurants or caterers here no cars, no CO2 on the seafood plates.

The beautiful days are coming back, it's ideal for cycling! It's a good thing, there are many biking stations just a stone's throw from the hotel. And for the less sporty, you will find some with electric assistance...

Le 7ème is a central district in Paris. Along the Seine, you can take a bucolic stroll to visit the Invalides, the Saint Germain des Prés district, Saint Michel and the Latin Quarter, the île Saint Louis and île de la Cité, the "Butte aux Cailles" (quail mound), cross to the Marais, Châtelet, the Rue de Rivoli and the Hôtel de Ville, not forgetting the Louvre, the Tuileries garden and the Place de la Concorde, one of the ends of the Champs Elysées.

Without going too far away, without having to take the metro, a beautiful part of the City of Light stretches out, within easy reach! It would be a shame to miss it. And with our free cancellation policy, you really don't take any risks!

## Booking despite the health crisis?

Booking a room in Paris right now is an act of faith in a world in revolution. A world that may not be the same in a few weeks or months. How can we think serenely about the future? We wanted to reassure you, at least financially.

## Our hotel with free cancellation

Most hotels charge a cancellation fee, regardless of the reason, health or not. However, this is not our philosophy. Coming to Paris from abroad or the provinces is an expensive commitment that leaves a certain bitterness when it comes to cancel without the possibility of a refund.

Confinement will undoubtedly end, as in the countries affected earlier than us and which we are seeing step by step. Therefore our hotel du Cadran offers you the possibility of a free cancellation up to 24 hours before your stay.

And even better, if for imperative reasons you are unable to stay as long as planned, in any case you will pay on the spot at the end of your stay. The non-refundable rate of our hotel is waived. The confinement will be lifted, but when? So, rest assured, you will not lose anything by booking us a stay that will take place normally or not. Thank you for your confidence.
