Luxury in the heart of Paris

La Maison Parisienne

A true insider's address in Paris, Le Burgundy blends the excellence and discretion of its five-star service with the contemporary spirit of an eclectic décor. The architecture of the house, crafted with the finest materials, provides a refined showcase for the artworks displayed throughout the hotel, affirming its identity as one of the most distinctive luxury boutique hotels in Paris.

Rooms & Suites

Your Parisian getaway

The 59 rooms and suites at Le Burgundy Paris combine space, comfort and a style entirely their own. Each has been designed as part of a refined Parisian townhouse, offering rare tranquility in the heart of the city. Some overlook the leafy inner courtyard, others reveal sweeping views of the rooftops of Paris, ensuring an atmosphere of calm and understated elegance.
